

## The City of Herning

Herning is situated in the heart of Jutland, about 170 kilometres from the German border and 3,5 hours drive from Copenhagen.

Herning is a major trade fair and congress destination and therefore used to accommodate numerous guests. The city is also known for its openness, growth, inventiveness, enterprising business life, good jobs, rich commercial life, vibrant research and educational environments, varied architecture, active sports life and rich cultural life – to put it in a nutshell; a city with everything.

## Herning as event city

The City of Herning has considerable experience in organizing international sport events.

During the last three years Herning has hosted:

- UEFA Under-21 Championships 2011
- Womens European Handball Championships 2010
- World Wrestling Championships 2009
- European Championships Badminton 2008
- In May 2012 Herning will host the start of the Cycling race Giro d'Italia

## Jyske Bank BOXEN

With a seating capacity of 12 – 15.000 Jyske Bank BOXEN is Denmark's first indoor multi-flexible hall of its kind. The arena is designed for a wide variety of diverse events and contains a number of service and VIP facilities, which enable national and international experiences with focus on sport, concerts, shows and other entertainment.

## Welcome to Denmark

The Danish Table Tennis Association (DBTU) has been awarded the organisation of the 2012 European Table Tennis Championships, which will take place in the city of Herning October 17<sup>th</sup>-21<sup>st</sup> 2012.

DBTU - along with our key partners: the City of Herning and Sport Event Denmark - intends to make the 2012 European Championships a unique table tennis experience for everybody involved. We are looking forward to welcome media, players, coaches, officials and, most of all, spectators from all over Europe. They can expect a well-organised and spectacular event.

"I am looking forward to play the 2012 European Championships on my home ground. We have great memories from the previous EC in Denmark in 2005, where we won the team title.

I hope to see a huge audience creating an intense atmosphere - and cannot wait to fight the European top players!"

## Table Tennis Festival

Leading up to and during the event, outdoor tables will be placed in the parks and pedestrian areas in Herning City. In the city centre, we will arrange events and show matches - and we will organize table tennis activities for pre-school and school children.

Feel welcome to enjoy and experience the Danish destination of table tennis with all its features organized just for you.

In and around the playing venue side-events and activities will be open for fans and spectators, transforming the event to a Table Tennis Festival - and not 'just another tournament'.

## Fanzone - Camping area

Be accommodated right next to the venue either with your own caravan or with the possibility to rent one for the occasion. Access to bath and toilet facilities will be provided.

Furthermore a Fanzone will offer a café with breakfast, music and special entertainments to round off the camping experience.
